RTO™ is an extension of the Meet Me at the Gate® initiative of Koinonia House® National Ministries and is designed to unify members of the body of Christ at the cross. RTO™ is *not* a substitute of the local church and it is not to take the place of regular services in local church congregations.

The vision for RTO™ is to create a training center where lives can be equipped by the Gospel of Jesus Christ, in a safe environment, to return to their world, their church, and their lives; and love their neighbors with the radical love of Jesus Christ seasoned with fresh passion and joy.

**“A Gospel of love, equipping
many *to* love”**
